IMPORTANT INFORMATION

The regulatory and fiscal conditions relating to the Notes (as defined hereinafter) may be subject to changes that have an adverse effect on the amounts payable on the Notes and may lead to the Issuer repaying the Notes prematurely or any Agent making adjustments with respect to the values and/or methods used to determine amount. The Noteholders should in particular be aware that:

- (i) payments in relation to the Notes are entirely qualified by, and subject to, the performance of the Reference Strategy and the Reference Portfolio Components and that the rate of return and/or repayment of the Notes might consequently be low (or even zero);
- (ii) the value of the Reference Portfolio Components and the performance of the Reference Strategy may be subject to significant fluctuations over time and that there is a risk of a partial or even complete reduction in the value of the Reference Portfolio Components and the Reference Strategy as such;
- (iii) the Issuer will not necessarily have any rights (including voting rights) in relation to the Reference Portfolio Components;
- (iv) the Noteholders will not have direct recourse to the Reference Portfolio Components and that the investment in the Notes may be associated with a higher risk than a direct investment in the Reference Portfolio Components;
- (v) returns from an investment in the Notes are not guaranteed and depend on various factors upon which the Issuer has no influence and that, in the absence of any secondary market on which the Notes may be traded, the proceeds which can be achieved from a liquidation of the Notes are uncertain;
- (vi) the Strategy Sponsor will maintain the Underlying in accordance with the Strategy Description in its sole responsibility and discretion and that the role of the Issuer is limited to providing the Noteholders with exposure to a synthetic portfolio of assets to which the proprietary investment strategy (which is not known in detail to or influenced or controlled by the Issuer) is applied in accordance with the Strategy Description; and
- (vii) the Issuer assumes no responsibility with respect to (i) the suitability and ability of the Strategy Sponsor to maintain the Underlying, (ii) the appropriateness of the Underlying to achieve the purpose as described in the Strategy Description and (iii) the compliance of the Strategy Sponsor with the Strategy Description.

An investment in the Notes is only suitable for persons who have carefully examined the documentation for the Notes and are able to assess the risks associated with the Notes (including risks resulting from their and from the Reference Strategy, as well as the risks of its fiscal and regulatory classification) based on their knowledge and experience and are able to bear any losses up to a loss of their entire investment. A purchase of the Notes is not suitable for retail clients in terms of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments (MiFID II).

The Issuer may without the consent of the Noteholders, if no payment of principal or interest on any of the Notes is in default, at any time substitute the Issuer for any Affiliate of the Issuer as principal debtor in respect of all obligations of the Issuer under the Notes (the "**New Issuer**"), provided that (i) the New Issuer assumes all obligations of the Issuer in respect of the Notes, (ii) the Issuer and the New Issuer have obtained all necessary authorizations and may transfer to the Paying Agent in the currency required hereunder and without being obligated to deduct or withhold taxes or other duties of whatever nature levied by the Country, in which the New Issuer or the Issuer has its domicile or tax residence, all amounts required for the fulfilment of the payment obligations arising under

the Notes, (iii) the New Issuer has agreed to indemnify and hold harmless each Noteholder against any tax, duty or other governmental charge imposed on such Noteholder in respect of such substitution and (iv) the Issuer guarantees proper payment of the amounts due under these Terms and Conditions.

11.2. Notice

The Noteholders shall be informed of any substitution pursuant to Condition 11.1 in accordance with Condition 12.1.

11.3. References

In the event of any substitution pursuant to Condition 11.1, any reference in these Terms and Conditions to the Issuer shall be deemed to refer to the New Issuer. Furthermore, any reference to the country, in which the Issuer is domiciled or resident for taxation purposes, shall be deemed to refer to the country of domicile or residence for taxation purposes of the New Issuer.

12. COMMUNICATION

12.1. Notices to the Noteholders

All notices relating to the Notes shall be made through the Clearing System.

12.2. Notices to the Issuer

All notices to the Issuer will be deemed to be validly given if sent by registered mail to the Issuer at its registered office as published in the files of the Luxembourg trade and companies register (*Registre du commerce et des sociétés*, Luxembourg) and will be deemed to have been given on the 5th (fifth) Business Day after mailing.

13. MEETINGS OF NOTEHOLDERS

Articles 86 to 97 of the Companies Act 1915 are not applicable to the Notes. Annex II to these Terms and Conditions (which forms an integral part of the Terms and Conditions) contains detailed provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the modification of these Terms and Conditions.

14. LIMITED RECOURSE; NON-PETITION

14.1. Limited Recourse

The rights of Noteholders to participate in the assets of the Issuer are limited to the Compartment Assets. If the payments and/or deliveries received by the Issuer in respect of the Compartment Assets are not sufficient to discharge all liabilities and obligations towards the Noteholders, the obligations of the Issuer in respect of the Notes will be limited to the Compartment Assets. The Issuer will not be obliged to make any further payments and/or deliveries to Noteholders in excess of the amounts received upon the realisation of the Compartment Assets. Following the application of the proceeds of realisation of the Compartment Assets in accordance with the Terms and Conditions, the claims of the Noteholders for any shortfall shall be extinguished and the Noteholders (and any person acting on behalf of any of them) may not take any further action to recover such shortfall.

14.2. Non-Petition

In particular, no such party has the right to petition for the winding-up, the liquidation or the bankruptcy of the Issuer as a consequence of any shortfall or to take any similar proceedings. Failure to make payment in respect of any shortfall shall in no circumstances constitute an event of default under the Terms and Conditions. Any shortfall under the Issuing Compartment shall be borne by the Noteholders as specified in these Terms and Conditions.

The Noteholders may be exposed to competing claims of other creditors of the Issuer, the claims of which have not arisen in connection with the creation, the operation or the liquidation of the Issuing Compartment if foreign courts, which have jurisdiction over assets of the Issuer allocated to a compartment (such as, the Issuing Compartment) do not recognize the segregation of assets and the compartmentalisation, as provided for in the Securitisation Act 2004. The claims of these other creditors may affect the scope of assets which are available for the claims of the Noteholders. If as a result of such claims, a shortfall arises, such shortfall will be borne by the Noteholders.

15. ISSUANCE OF ADDITIONAL NOTES; REPURCHASE

15.1. Issuance of additional Notes

The Issuer reserves the right from time to time without the consent of the Noteholders to issue additional Notes with identical terms and conditions (except for the issue date and the issue price), so that the same shall be consolidated and form a single series (the "**Series**") with this Tranche. The term "**Notes**" shall, in the event of such increase, also comprise all additionally issued Notes.

15.2. Repurchase

The Issuer shall be entitled at any time to purchase Notes in the market or otherwise and at any reasonable price. Notes repurchased by the Issuer may, at the Issuer's discretion, be held, resold or forwarded to the Paying Agent for cancellation.

16. PARTIAL INVALIDITY; MODIFICATIONS

16.1. Invalidity

Should any provision of these Terms and Conditions be or become invalid or unenforceable in whole or in part, the remaining provisions are not affected thereby. Any gap arising as a result of invalidity or unenforceability of these Terms and Conditions is to be filled with a provision that corresponds to the meaning and intent of these Terms and Conditions and is in the interest of the parties.

16.2. Modifications

The Issuer may make, without the consent of the Noteholders, any modification to the Terms and Conditions which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated or to reflect any change of law which has an impact on the Issuer's obligations under the Notes. Any such modification shall be binding on the Noteholders and any such modification shall be notified to the Noteholders by way of a written notice in accordance with Condition 12.1.

17. PRESCRIPTION

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within ten years (in the case of principal) and five years (in the case of interest) from the date on which the relevant payment first becomes due. The Luxembourg act dated 3 September 1996 on the involuntary dispossession of bearer Notes, as amended (the Involuntary Dispossession Act 1996) requires that, in the event that (i) an opposition has been filed in relation to the Notes and (ii) the Notes mature prior to becoming forfeited (as provided for in the Involuntary Dispossession Act 1996), any amount that is payable under the Notes, but has not yet been paid to the Noteholders, will be paid to the Caisse des consignations in Luxembourg until the opposition has been withdrawn or the forfeiture of the Notes occurs.

18. GOVERNING LAW, PLACE OF PERFORMANCE, PLACE OF JURISDICTION

18.1. Governing Law

The Notes are governed by and shall be construed in accordance with Luxembourg law.

18.2. Jurisdiction

To the extent permitted by law, the Luxembourg district courts are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes and accordingly any legal action or proceedings arising out of or in connection with the Notes (“**Proceedings**”) may be brought in such courts. Each of the Issuer and the Noteholders irrevocably submit to the jurisdiction of the Luxembourg district courts and waive any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

19. UNITED STATES

The Notes will not be offered and issued to U.S. persons as defined in Regulation S of the U.S. Securities Act of 1933.

20. PRIVATE PLACEMENT

The Bearer Notes are only for professional and institutional investors within the meaning of article 1(5) of the law of 5th April 1993 on the financial sector, as amended. The Bearer Notes are intended exclusively for Private Placement.
