Important information:

The regulatory and fiscal conditions relating to DEBENTURE BONDS, REFERENCE FUND, and/or COMPANY PROVIDERS may be subject to changes that have adverse effects on the amounts payable to DEBENTURE BOND HOLDERS and may lead to the ISSUER repaying DEBENTURE BONDS prematurely or making adjustments with respect to one or more components or values of the REFERENCE FUND and/or the amounts payable pursuant to these TERMS OF ISSUE and/or some other value and/or amount. The DEBENTURE BOND HOLDERS should be aware that

- (i) it is likely that neither the HYPOTHETICAL INVESTOR nor another person (particularly not the ISSUER) will exercise any rights (including voting rights) included with the REFERENCE FUND or act in the interest of HYPOTHETICAL INVESTORS or any other person (with the exception of rights received from the interests of the REFERENCE FUND or other payments associated with the redemption or a dissolution of the REFERENCE FUND); and
- (ii) interest on and repayment of the DEBENTURE BONDS are subject to the risk that with regard to the REFERENCE FUND a CREDIT EVENT (as defined below) might occur and that the rate of return and / or repayment of the DEBENTURE BONDS might be consequently reduced or that even no rate of return and / or repayment might happen; and
- (iii) that DEBENTURE BOND Holders, in the event of the occurrence of a CREDIT EVENT TO THE REFERENCE FUND, have no direct recourse, in respect of any losses, against the REFERENCE FUND and do not necessarily benefit, after entering a CREDIT EVENT, of any positive developments regarding the REFERENCE FUND so that the investment in the DEBENTURE BONDS may be associated with a higher risk than a direct investment in the REFERENCE FUND (as a party); and
- (iv) in the absence of suitable liquidity of the REFERENCE FUND, the amount of the payments owed by the ISSUER according to the TERMS OF ISSUE below is primarily dependent upon the degree to which the ADMINISTRATION AND ACCOUNTING AGENT is able to secure offers from market participants that can be considered POTENTIAL BUYERS of the REFERENCE FUND in the secondary market, and that they may thus completely lose the capital they invested under these circumstances; and
- (v) the price at which the DEBENTURE BONDS may be sold, if any, may be affected, on the one hand, by the general credit standing of the REFERENCE FUND and the ISSUER and by the likelihood of occurrence of the risks applicable to the REFERENCE FUND and the ISSUER, on the other hand, also by the general market environment, interest rate fluctuations, the residual maturity of the DEBENTURE BONDS, exchange rates and inflation rates, whereby individual factors can reinforce each other or even reduce; and
- (vi) dividends from the REFERENCE FUND are not guaranteed by either party and depend on various factors upon which the ISSUER has no influence (e.g. the economic success of the REFERENCE FUND) and that, in the absence of any secondary market on which the REFERENCE FUND may be traded, the amount of payments owed by the ISSUER under the terms of the following terms of issue is primarily dependent on the extent to which the REFERENCE FUND is able to meet his obligations under the REFERENCE FUND that they are owed, and that they may therefore lose all of their capital.

An acquisition of the DEBENTURE BONDS is only suitable for persons who have carefully examined the FUND DOCUMENTATION and are able to assess the risks associated with the REFERENCE FUND (including risks resulting from the structure of the REFERENCE FUND and its investments, as well as the risks of its fiscal and regulatory classification) based on their knowledge and experience and are able to bear any losses up to a

complete loss of their investment. The purchase of the DEBENTURE BONDS is not suitable for private customers within the meaning of the EU Financial Markets Directive (EU Directive 2004/39 / EC).

Unless required by law, no physical DEBENTURE BONDS are issued. DEBENTURE BOND HOLDERS are entitled to co-ownership certificates within the bearer collective certificates. DEBENTURE BOND HOLDERS have no right to receive physical DEBENTURE BONDS. DEBENTURE BONDS are transferable in accordance with the applicable law and any applicable rules and procedures of the CLEARING HOUSE.

3.2 In securities clearing, DEBENTURE BONDS are transferable in units of one DEBENTURE BOND or an integer multiple thereof.

3.3 Existing and future claims for payment of INTEREST AMOUNTS pursuant to paragraph 5 may only be transferred together with DEBENTURE BONDS and DEBENTURE BONDS may only be transferred together with existing and future claims for payment of INTEREST AMOUNTS. A transfer of DEBENTURE BONDS is carried out without identifying a pro rata claim for payment of INTEREST AMOUNTS.

4 REFERENCE ASSET

4.1 The “REFERENCE ASSET” is an asset held by a HYPOTHETICAL INVESTOR and consisting of

- (a) the CASH COMPONENT (see paragraph 4.2), which may even have a negative balance and
- (b) the REFERENCE FUND PARTICIPATION / FUND INVESTMENT.

On the ISSUE DATE, the REFERENCE ASSET is solely comprised of the CASH COMPONENT. After the ISSUE DATE, the CASH COMPONENT with incoming or outgoing payments is (i) reduced to include all payments made by the HYPOTHETICAL INVESTOR to the REFERENCE FUND in association with the FUND INVESTMENT and (ii) increased to include all payments received by the HYPOTHETICAL INVESTOR from the REFERENCE FUND in association with the FUND INVESTMENT, whereby the CASH COMPONENT may also have a negative balance.

4.2 The “CASH COMPONENT” refers to the ISSUED NOMINAL AMOUNT on the ISSUE DATE less, if applicable, the accumulated COST LIQUIDITY RESERVE (unless these costs have already been considered under (b) below) on the ISSUE DATE and subsequently at the end of each INTEREST PERIOD

- (a) the sum of (i) the CASH COMPONENT at the end of the immediately preceding INTEREST PERIOD; (ii) all payments the HYPOTHETICAL INVESTOR would have received from the REFERENCE FUND held by them during the relevant INTEREST PERIOD; (iii) INTEREST REVENUES from the investment of the CASH COMPONENT during the relevant INTEREST PERIOD; and (iv) all payments the HYPOTHETICAL INVESTOR receives from third parties during the relevant INTEREST PERIOD;
- (b) less (i) the MANAGEMENT FEE for the relevant INTEREST PERIOD; (ii) the TRANSACTION COSTS for the relevant INTEREST PERIOD; (iii) the calculated payable interest for a hypothetical leverage for the relevant INTEREST PERIOD (for a negative CASH COMPONENT value); (iv) the sum of the INTEREST AMOUNTS from the DEBENTURE BONDS that were paid out during the relevant INTEREST PERIOD; and (v) all payments made by the HYPOTHETICAL INVESTOR TO THE REFERENCE FUND.

In this context, it is the case that (1) corresponding dividends from the REFERENCE FUND to the HYPOTHETICAL INVESTOR made as payments in kind, evaluated by the ADMINISTRATION AND ACCOUNTING AGENT at its own reasonable discretion and (2) insofar as the HYPOTHETICAL INVESTOR has the option to receive these dividend payments either in the monetary form or as payment in kind, it is assumed that the HYPOTHETICAL INVESTOR has opted for a cash payment. If the REFERENCE FUND payments or dividends or the amounts thereof are dependent upon a decision by the HYPOTHETICAL INVESTOR, for the INTEREST AMOUNTS to be paid for the DEBENTURE BONDS, the ISSUER determines at their own discretion which decision the HYPOTHETICAL INVESTOR would have made with regard to the REFERENCE FUND payments and dividends or their amounts.

The CASH COMPONENT represents the calculated figure of a short-term, non-interest bearing, hypothetical deposit with the CUSTODIAN. The ISSUER is entitled to authorise another credit institution with headquarters or a branch in the Grand Duchy of Luxembourg, Switzerland or the Federal Republic of Germany at any time and at their own discretion, as CUSTODIAN.

4.3 **“FUND INVESTMENT”** refers to an existing holding, by the HYPOTHETICAL INVESTOR in the REFERENCE FUND, as a result of a subscription commitment by the HYPOTHETICAL INVESTOR on or near the ISSUE DATE, amounting to the ISSUED NOMINAL AMOUNT on the ISSUE DATE less any accumulated COST LIQUIDITY RESERVES on the ISSUE DATE. The FUND INVESTMENT involves a purely notional and further-more passive investment, i.e. neither the HYPOTHETICAL INVESTOR nor any other person (particularly not the ISSUER) will exercise any rights (including voting rights) included with the REFERENCE FUND with regard to the FUND INVESTMENT or act in the interest of HYPOTHETICAL INVESTORS or any other person (with the exception of rights received from the dividends of the REFERENCE FUND or other payments associated with the redemption of the REFERENCE FUND or a dissolution or merger of the REFERENCE FUND).

4.4 The following capitalised terms are defined as follows:

“CUSTODIAN” is ISP Securities Ltd., Bellerivestrasse 45, 8008 Zurich, Switzerland.

“DISCLOSED FUND VALUE”, in terms of a REFERENCE FUND or the level of the REFERENCE INVESTMENT at a FUND REPORTING DAY, is the value of this REFERENCE FUND and the level of the FUND INVESTMENT on the relevant FUND VALUATION DAY or, insofar as the REFERENCE FUND simply discloses its aggregate value, the percentage of the aggregate value of the REFERENCE INVESTMENT relating to the REFERENCE FUND and this level of FUND INVESTMENT on the relevant FUND VALUATION DAY, in either case as disclosed by the FUND PROVIDER on the relevant FUND REPORTING DAY; the MANAGEMENT COMPANY generally discloses this value to its investors or a publishing service on behalf of the REFERENCE FUND.

With respect to the FUND INVESTMENT, **“FUND DOCUMENTATION”** refers to the constitutive and relevant documents (e.g. statutes, general terms and conditions) of the REFERENCE FUND in which these REFERENCE INVESTMENT conditions are specified or are otherwise relevant to the FUND INVESTMENT.

“ISSUE PRICE” refers to the price at which the REFERENCE FUND is issued to the HYPOTHETICAL INVESTORS with regard to the level of the FUND INVESTMENT. In determining the ISSUE PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes, expenses and other factors that could be incurred in relation with the issuance of the REFERENCE FUND to the HYPOTHETICAL INVESTOR on or near the ISSUE DATE.

"REDEMPTION PRICE", with regard to a FUND INVESTMENT, refers to the price issued by the REFERENCE FUND or the MANAGEMENT COMPANY; this is the price at which a redemption of the REFERENCE FUND by the HYPOTHETICAL INVESTORS takes place. At its own reasonable discretion (without being obliged to do so), the ADMINISTRATION AND ACCOUNTING AGENT may take the purchase price offered and paid to the HYPOTHETICAL INVESTOR by a suitable buyer (the determination of the suitability of the buyer is also determined at the reasonable DISCRETION OF THE ADMINISTRATION AND ACCOUNTING AGENT) as an alternative to the REDEMPTION PRICE for the FUND INVESTMENT in the REFERENCE FUND, if it is of the opinion that the price published by the MANAGEMENT COMPANY cannot be obtained for a redemption of the HYPOTHETICAL INVESTOR'S REFERENCE FUND within the scope of the previous sentence. In determining the REDEMPTION PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes, expenses and other factors that be may be incurred in relation with the redemption of REFERENCE FUND by the HYPOTHETICAL INVESTOR on the FINAL REDEMPTION DAY.

"REFERENCE FUND" means the PENDRAGON FUND SICAV SIF – Real Estate Fund One (CLASS A - LU0556125283), a Luxembourg Alternative Investment Fund and refers to an investment into the REFERENCE FUND.

5.1 Subject to the occurrence of a MARKET DISTURBANCE and to the provision in section 5.3, the ISSUER will provide an interest payment on the DEBENTURE BONDS the ISSUER will pay interest with regard to their NOMINAL AMOUNT on each INTEREST PAYMENT DATE (payable in arrears) if not already redeemed completely or partially. After the maturity date or the early maturity date, no further interest payments will be made. In this context, the following terms have the following meanings in capital letters:

"INTEREST PAYMENT DATE" is every May 31st of each calendar year and the Maturity Date is the last INTEREST PAYMENT DATE. The first INTEREST PAYMENT DATE will be the 31th of May 2019. If an INTEREST PAYMENT DATE is not a BANK WORKING DAY, the INTEREST PAYMENT DATE will be postpone to the next BANK WORKING DAY (payment of any additional interest will not be owed by such a deferral).

"INTEREST PERIOD" is each period from the ISSUE DATE (inclusive) and up to the first INTEREST DETERMINATION DATE (exclusive), and thereafter from each INTEREST DETERMINATION DATE (inclusive) up to the subsequent INTEREST DETERMINATION DATE (exclusive).

"INTEREST DETERMINATION DATE" is always the May 15th of each calendar year.

In the event of a MARKET DISTURBANCE (paragraph 7), the INTEREST DETERMINATION DATE shifts, as does the corresponding associated INTEREST PAYMENT DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

5.2 The ADMINISTRATION AND ACCOUNTING AGENT will calculate the AMOUNT OF INTEREST to be paid on a DEBENTURE BOND on the relevant INTEREST PAYMENT DATE, in each case calculated on the immediately preceding INTEREST DETERMINATION DATE in accordance with the following formula and in the SPECIFIED CURRENCY:

$$IA = (CC - LR) / DSA$$

where:

"IA" is the current INTEREST AMOUNT;

"CC" is the CASH COMPONENT;

"LR" is the LIQUIDITY RESERVE;

"DSA" is the amount of outstanding DEBENTURE BONDS on the respective INTEREST DETERMINATION DATE.

5.3 The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the relevant Interest Amount to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 5 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

6 MATURITY, REDEMPTION

6.1 The term of the DEBENTURE BONDS shall cease on the MATURITY DATE subject to extraordinary termination by the DEBENTURE BOND HOLDERS or the ISSUER.

6.2 The Debenture Bond is amortising and will redeem as follow, subject to fund liquidity and redemptions payments:

- (a) 25% of the nominal on the 15.12.2023
- (b) 25% of the nominal on the 15.12.2024
- (c) 25% of the nominal on the 15.12.2025
- (d) 25% of the nominal on the 30.12.2026

Should the underlying fund not be able to meet the redemptions on the above-mentioned dates the Bonds will be paid at maturity.

6.3 Unless previously partially or completely redeemed, the ISSUER pays the REDEMPTION AMOUNT to each DEBENTURE BOND HOLDERS for each DEBENTURE BOND on the MATURITY DATES in accordance with these TERMS OF ISSUE, unless there is the occurrence of a MARKET DISTURBANCE. The ADMINISTRATION AND ACCOUNTING AGENT will calculate the REDEMPTION AMOUNT to be paid (the “**REDEMPTION AMOUNT**”) on a DEBENTURE BOND on the FINAL VALUATION DAY or immediately afterwards in accordance with the following formula and in the SPECIFIED CURRENCY:

$$RA = (RC - CC) / DSA$$

where:

“**RA**” is the REDEMPTION AMOUNT;

“**RC**” is the REPAYMENT COMPONENT;

“**CC**” is the CASH COMPONENT;

“**DSA**” is the amount of outstanding DEBENTURE BONDS on the Final Valuation DAY.

“**FINAL VALUATION DAY**” is the 10th Bank Working Day before the MATURITY DATE. In the event of a MARKET DISTURBANCE (paragraph 7), the FINAL VALUATION DAY shifts, as does the corresponding MATURITY DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the REDEMPTION AMOUNT to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 6 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

7 MARKET DISTURBANCES

7.1 If the ADMINISTRATION AND ACCOUNTING AGENT determines that a MARKET DISTURBANCE occurred on a VALUATION DAY, subject to paragraph 7.3, the VALUATION DAY is the next DESIGNATED REFERENCE ASSET VALUATION DAY where the ADMINISTRATION AND ACCOUNTING AGENT determines that no MARKET DISTURBANCE persists. In this context, the following are defined as:

“**CASH COMPONENT VALUATION DAY**”, with regard to CASH COMPONENTS, is the BANK WORKING DAY on which the assessment and transferability by the HYPOTHETICAL INVESTOR are possible.

“**DESIGNATED REFERENCE FUND VALUATION DAY**” is (i) every BANK WORKING DAY with regard to the CASH COMPONENT and (ii) a day (A) on which the REFERENCE FUND or a MANAGEMENT COMPANY should ordinarily determine the value of the REFERENCE FUND in accordance with the FUND DOCUMENTATION or, if the REFERENCE FUND only announces its aggregate net asset value, the day on which the REFERENCE FUND should ordinarily determine its aggregate net asset value and (B) on which the redemption of the FUND INVESTMENT takes place at this value (without any restrictions on redemption, deferments, suspensions or other provisions taking effect that would enable the deferment or refusal of redemption by the REFERENCE FUND).

With regard to FUND INVESTMENT, “**FUND VALUATION DAY**” is a day (i) on which the REFERENCE FUND or a MANAGEMENT COMPANY determine the value of a REFERENCE FUND in accordance with the FUND DOCUMENTATION or, if the REFERENCE FUND only announces its aggregate net asset value, a day on which the REFERENCE FUND determines its aggregate net asset value, (ii) on which the redemption of the FUND INVESTMENT takes place at this value (without any restrictions on redemption, deferments, suspensions or other provisions taking effect that would enable the deferment or refusal of redemption of the REFERENCE FUND), and on (iii) which no credit event occurs to the REFERENCE FUND.

“**MARKET DISTURBANCE**” is the occurrence of a REFERENCE FUND VALUATION DISTURBANCE, with regard to the FINAL VALUATION DAY and the EARLY VALUATION DAY.

“**REFERENCE FUND VALUATION DAY**” is every day that is (i) a CASH COMPONENT VALUATION DAY (ii) a REFERENCE FUND VALUATION DAY.

“**REFERENCE FUND VALUATION DISTURBANCE**” refers to a circumstance in which a DESIGNATED REFERENCE FUND VALUATION DAY for the CASH COMPONENT and/or the REFERENCE FUND is not a REFERENCE FUND VALUATION DAY or this REFERENCE FUND VALUATION DAY is continuously postponed.

7.2 The ADMINISTRATION AND ACCOUNTING AGENT will endeavour to notify the DEBENTURE BOND HOLDERS immediately that a MARKET DISTURBANCE has occurred in accordance with paragraph 14. However, there is no obligation to provide notification.

7.1 If the FINAL VALUATION DAY or EARLY VALUATION DAY has been postponed for more than 365 days under the provisions of this paragraph and a MARKET DISTURBANCE persists as determined by the ADMINISTRATION AND ACCOUNTING AGENCY on the immediately subsequent BANK WORKING DAY, this day (the existence of the MARKET DISTURBANCE notwithstanding) counts as the relevant VALUATION DAY and the ADMINISTRATION AND ACCOUNTING AGENT will determine the REDEMPTION PRICE at its own reasonable discretion and taking up to three previously obtained purchase offers from POTENTIAL BUYERS of FUND INVESTMENTS into consideration. The ADMINISTRATION AND ACCOUNTING AGENT will fix the REDEMPTION PRICE at the highest of the purchase offers received in this manner, which applies to all of the FUND INVESTMENT. If the only purchase offers available to the ADMINISTRATION AND ACCOUNTING AGENT are those that correspond to less than the total FUND INVESTMENT, the ADMINISTRATION AND ACCOUNTING AGENT will take this and the purchase offers obtained into proportional consideration at their own reasonable discretion. In determining the REDEMPTION PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes and expenses incurred in relation with the redemption of REFERENCE FUND by the HYPOTHETICAL INVESTOR. If no

offers are submitted by POTENTIAL BUYERS or a sale and/or transfer of the FUND INVESTMENTS to a POTENTIAL BUYER is prohibited or excluded, the REDEMPTION PRICE is zero. In this context, “**POTENTIAL BUYER**” is any market participant considered under the ADMINISTRATION AND ACCOUNTING AGENT’S reasonable discretion as a purchaser of FUND INVESTMENTS in the secondary market because it can be approved as a REFERENCE FUND investor and purchaser of FUND INVESTMENTS in accordance with the FUND DOCUMENTATION and there are no grounds upon which the MANAGEMENT COMPANY could refuse to approve the transfer of REFERENCE FUND.

- 7.2 In the event of a MARKET DISTURBANCE, the maturity of the payments to be made by the ISSUER corresponding to the DEBENTURE BONDS is postponed until the ADMINISTRATION AND ACCOUNTING AGENT has gathered the necessary information pursuant to the above provisions. Additional interest or other payments are not owed as a result of this postponement.

8 ADJUSTMENTS

- 8.1 If, in the opinion of the ADMINISTRATION AND ACCOUNTING AGENT, POTENTIAL GROUNDS FOR ADJUSTMENT arise with regard to the FUND INVESTMENT or the REFERENCE FUND at any time during the term of the DEBENTURE BONDS that, at the ADMINISTRATION AND ACCOUNTING AGENT’S reasonable discretion, has a significant effect on the value of FUND INVESTMENT (weakening or strengthening the value) or on the calculation of the INTEREST AMOUNT, the REDEMPTION AMOUNT, the EARLY REDEMPTION AMOUNT or another amount payable for the DEBENTURE BONDS, the ADMINISTRATION AND ACCOUNTING AGENT is entitled, but not required (the provisions in paragraph 16.2 notwithstanding)

9 CALCULATIONS; MONETARY PAYMENTS

- 9.1 The amounts payable on the DEBENTURE BONDS are calculated by the ADMINISTRATION AND ACCOUNTING AGENT and are announced in accordance with paragraph 14. Calculations are (unless there is any obvious error) final and binding for DEBENTURE BOND HOLDERS.
- 9.2 In every respect, all payments made by the ISSUER are subject to the applicable laws, provisions and procedures of the place of payment. The ISSUER assumes no liability in the event that it should not be in a position to carry out the payments owed under the DEBENTURE BONDS on account of these laws, provisions and procedures.
- 9.3 The ISSUER will initiate a payment for the accounts of DEBENTURE BOND HOLDERS for the amounts payable to the CLEARING HOUSE, pursuant to these TERMS OF ISSUE, via the CLEARING HOUSE'S

PAYING AGENT. Upon payment of the amounts to the CLEARING HOUSE, the ISSUER is released from their payment obligations under the TERMS OF ISSUE.

- 9.4 All taxes, fees or other charges incurred in connection with monetary payments are to be borne and paid by the DEBENTURE BOND HOLDERS. The ISSUER and the PAYING AGENT are entitled to withhold any taxes, fees or charges that are to be paid by the DEBENTURE BOND HOLDERS from these monetary payments in accordance with the previous sentence.
- 9.5 Payments due on DEBENTURE BONDS are to be carried out in the SPECIFIED CURRENCY and subject to applicable fiscal and other regulations and provisions.
- 9.6 If the INTEREST PAYMENT DATE or the REDEMPTION DAY or rather the EARLY REDEMPTION DAY falls on a day that is not a BANK WORKING DAY, the DEBENTURE BOND HOLDERS are not entitled to payment until the immediately subsequent BANK WORKING DAY. The DEBENTURE BOND HOLDERS are not entitled to request further interest or other payments due to this postponement.
- 9.7 To clarify: there will be no interest payment on the amounts to be paid under the DEBENTURE BONDS between the INTEREST PAYMENT DATE, the MATURITY DATE or the EARLY REDEMPTION DAY and the actual receipt of the relevant payment.

10 NO SUBMISSION OF AN APPLICATION FOR INSOLVENCY

- 10.1 The DEBENTURE BOND HOLDERS must agree not to file for any dissolution of the ISSUER or the COMPANY, nor to initiate any insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, nor to join any such claim by a third party, with the exception of the enforcement of claims in the event of liquidation proceedings filed by another person and steps to obtain a statement or decision regarding the obligations of the ISSUER hereto.
- 10.2 If a DEBENTURE BOND HOLDERS files for the dissolution of the ISSUER or the COMPANY, initiates insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, or joins any such claim by a third party contrary to paragraph 10.1, they lose all rights specified in paragraph 1.2.

11 COMPARTMENT ASSETS

- 11.1 The ISSUER will use the net proceeds from the issuance of DEBENTURE BONDS for the purpose of replicating the investment and risk profile of the REFERENCE ASSET (e.g. either by (i) directly holding the REFERENCE FUND or (ii) investing in the REFERENCE FUND on the basis of a “synthetic” figure (e.g. in the form of a total return swap)) (the “**COMPARTMENT ASSETS**”). The ISSUER is not required to directly invest the issuance proceeds in the REFERENCE FUND.
- 11.2 The COMPANY undertakes not to enter into any other obligations in connection with Real Assets Bond (Compartment 2018/6803) and in particular with regard to the COMPARTMENT ASSETS held in this compartment other than those arising from or in connection with the direct or indirect representation of the REFERENCE ASSET’S investment and risk profile.
- 11.3 The COMPANY undertakes to limit obligations that are not related to Real Assets Bond (Compartment 2018/6803) to other compartments or the COMPANY’S parent company and to include limitation clauses that essentially correspond to the provisions in paragraphs 10 and 12 in all future contracts on the obligations of Real Assets Bond (Compartment 2018/6803). Real Assets Bond (Compartment 2018/6803) is not liable for the COMPANY’S other compartments.

12 LIMITED RECOURSE

- 12.1 All claims that the DEBENTURE BOND HOLDERS may assert against the ISSUER are limited to the proceeds from the liquidation of COMPARTMENT ASSETS. The settlement of the DEBENTURE BOND HOLDERS’ claims is carried out on a pro rata basis in the NOMINAL AMOUNT of DEBENTURE BONDS held by

the relevant DEBENTURE BOND HOLDERS based on the total NOMINAL AMOUNT of any outstanding DEBENTURE BONDS. The ISSUER is not required to make any payments in addition to the distribution of the proceeds from the liquidation of COMPARTMENT ASSETS. DEBENTURE BOND HOLDERS may not make any claims to the issue or delivery of COMPARTMENT ASSETS. In the event that the COMPARTMENT ASSETS are inadequate to cover the ultimate complete settlement of claims by DEBENTURE BOND HOLDERS, the ISSUER is not required to pay any shortfall and DEBENTURE BOND HOLDERS may not assert any further claims against the ISSUER. The COMPARTMENT ASSETS and the proceeds from their liquidation are considered “not ultimately adequate” if no further COMPARTMENT ASSETS are available at this time and no further proceeds can be realised for the settlement of outstanding claims by DEBENTURE BOND HOLDERS. In this case, the right to complete redemption does not apply. DEBENTURE BOND HOLDERS do not have access to other COMPANY accounts or assets.

- 12.2 The ISSUER’S payment obligations resulting from or in connection with these TERMS OF ISSUE are always subject to the condition that the ISSUER has actually received a corresponding payment from the liquidation of the COMPARTMENT ASSETS in good time before the deadline for each claim for payment. If the ISSUER has not actually received such a payment in full (be it because of a tax deduction or any other reason), DEBENTURE BOND HOLDERS may only make a claim for payment amounting to the proportion of their DEBENTURE BONDS to all amounts actually paid to the ISSUER from the liquidation of the COMPARTMENT ASSETS. Furthermore, DEBENTURE BOND HOLDERS are not entitled to make claims in these cases, particularly not with regard to any assets of other COMPANY compartments.
- 12.3 DEBENTURE BOND HOLDERS are not entitled to make any direct legal claims whatsoever against the ISSUER or recipients of COMPARTMENT ASSETS.

- 13.1 ISP Securities Ltd. is based in Zurich (Switzerland), assumes the function of PAYING AGENT. The ISSUER is entitled at any time to replace the PAYING AGENT with another bank or financial institution with similar creditworthiness whose main branch or subsidiary is located in an OECD member state (an “INSTITUTION”), to authorise one or more additional PAYING AGENTS and to revoke their authorisation at any time. 14 ANNOUNCEMENTS

Where permitted, the ISSUER will provide announcements in accordance with the requirements of the laws in effect in Luxembourg through a notice to the CLEARING HOUSE to be forwarded to DEBENTURE BOND HOLDERS or provided directly to DEBENTURE BOND HOLDERS. Announcements via the CLEARING HOUSE are valid on the third day after notice is given to the CLEARING HOUSE; direct notifications are deemed effective upon their receipt.

15 INCREASES; REPURCHASES

15.1 The ISSUER is entitled to issue further Debenture Bonds with the same conditions at any time, which may be combined with the DEBENTURE BONDS, form a single issue with them and increase their number. In the event of such an increase, the term "DEBENTURE BOND" covers all such Debenture Bonds additionally issued.

15.2 The ISSUER is entitled, but not obliged, to repurchase DEBENTURE BONDS at any time on the stock market or through over-the-counter transactions at a fair value price. The ISSUER is not required to report this to DEBENTURE BOND HOLDERS. The repurchased DEBENTURE BONDS may be invalidated, held, resold or used by the ISSUER in any other way.

16 TERMINATION OF DEBENTURE BONDS

16.1 Neither the ISSUER nor the DEBENTURE BOND HOLDERS are entitled to terminate DEBENTURE BONDS.

- (g) a violation of strategy, i.e. a breach or violation of the strategy or investment guidelines laid out in the FUND DOCUMENTATION with respect to the REFERENCE FUND which, in the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable opinion, is capable of affecting the value of REFERENCE FUND or the rights of HYPOTHETICAL INVESTORS;
- (h) a regulatory action, i.e. with respect to the REFERENCE FUND

- (i) the cancellation, suspension or revocation of the registration or authorisation of the REFERENCE FUND by any government authority or a regulatory authority with competent jurisdiction;

- the ADMINISTRATION AND ACCOUNTING AGENT may reasonably arrive at the conclusion that the purchase, holding or sale of REFERENCE FUND has become unacceptable or that the ISSUER is being subjected to significantly increased costs in connection with the fulfilment of its obligations for the DEBENTURE BONDS (especially due to increased tax obligations, a reduction in tax benefits or any other adverse effect on its tax position);
- (k) the ISSUER determines in good faith that the performance of its obligations for the DEBENTURE BONDS or the transactions undertaken by it to simulate the REFERENCE ASSET'S investment and risk profile is or will become wholly or partially illegal, unlawful or prohibited for any other reason in accordance with current or future valid legal provisions, rules, judgments, orders or guidelines by a governmental, administrative or legal entity, authority or court, or an amendment to the interpretation thereof;

In particular, good cause for extraordinary termination by the DEBENTURE BOND HOLDERS includes:
